## Review of Environmental Factors submission form

subtransmission substation (STS) at Macquarie Park. This is required to meet a significant increase in the demand for electricity in the area.	
The new substation will be built on Ausgrid's property at 17-21 Waterloo Road, Macquarie Park on the vacant land in front of the existing Macquarie Park zone substation.	
Further details are available on the project web page - www.ausgrid.com.au/macquarie and in the Review of Environmental Factors (REF) which can be viewed on the project web page.	
The REF will be on display until Thursday, 21 February 2019 and Ausgrid encourages further comments on the proposal at this stage.	
Feedback  Do you support Ausgrid's plans to build the new substation at Macquarie Park?	
Yes No Yes - with comments given in the feedback section below	More comments can be provided over the page.
No - with comments given in the feedback section below	Contact details  Please note your details will be used for the purpose of recording your feedback and to be able to engage with you during the project. This information is collected and stored in accordance with Ausgrid's Privacy Policy, available at
Don't have an opinion - but wish to provide comments for consideration (given in the feedback section below)	www.ausgrid.com.au/privacy.  Name:
Do you have comments on the REF?	Address:
	Postcode
	Email:
	Phone:
